### Step 1 Set up indoor collection container

Choose a container for your recycling needs (spare trash can, laundry basket, tote bag) or use the provided curbside red bin.

### Step 2 Sort recyclables and place in your collection container

Separate **paper, plastic, metal and glass** recyclables from your trash and fill your container with these accepted recyclables.

Corrugated cardboard is accepted in red bins.

*See details at right and below for information on what to include and how to sort recyclables.*

Materials such as miscellaneous plastic and electronics may be recycled at a drop off location.

*For a complete list of drop off locations, see [www.crcog.net/RecycleatHome](http://www.crcog.net/RecycleatHome)*

### Step 3 Place your sorted recyclables curbside on collection day

Red bins are collected weekly.

Your property manager or hauler will advise you of your collection day.

Please place your red bin curbside no later than 7:00 a.m. on collection day.

Bins must be removed no later than midnight on collection day.

*Remember: red bins remain with the property when sold or transferred to a new tenant.*
