If all or any part of the leased premises (or the building within which the leased premises is located) is taken by eminent domain, this lease will end automatically. **Landlord** and **Tenant** agree to release each other from any responsibility arising solely because the leased premises are taken by eminent domain and the lease has ended because of the taking.

**19. VIOLATIONS OF THIS LEASE**

When either **Landlord** or **Tenant** does not do something that they have agreed to do, it is a **violation** of this lease. If **Tenant** violates this lease, **Landlord** may sue to evict **Tenant**. If **Tenant** violates this lease, **Tenant** may lose all or some of the **Tenant**'s security deposit. **Landlord** may also sue **Tenant** for other expenses that exceed the security deposit that's held.

**Each tenant should not sign this lease unless each tenant has read and clearly understands the information in this section about lease violations.**

<p><u>    <b>X</b>    </u> <b>THIS IS A JOINT AND SEVERAL LEASE</b></p> <p><u>          </u> <b>THIS IS NOT A JOINT AND SEVERAL LEASE</b></p>
---

**TENANT INITIALS:**

If this is **NOT** a **JOINT AND SEVERAL LEASE**, then the **Landlord** may only sue one **Tenant** for that **Tenants** violation of the lease.

If this is a **JOINT AND SEVERAL LEASE**, it means that all the tenants as a group and each of the tenants as an individual are responsible to **Landlord** for all of the agreements of this lease. For example, if the rent is not paid, **Landlord** may sue all of the tenants (jointly) for any unpaid rent. Or, **Landlord** may bring suit against any one tenant separately (severally) for all of the unpaid rent.

**TENANT VIOLATES THIS LEASE IF TENANT:**

3. Does not leave the leased premises at the end of the lease, or
4. Does not do all of the things that tenant agreed to do in this lease.

If **Tenant** violates the lease, each **Tenant** agrees to waive **NOTICE TO QUIT**. This means that the **Landlord** may file a complaint in court asking for an order evicting each **Tenant** from the leased premises with out giving each **Tenant** **NOTICE TO QUIT** first. **Landlord** does **NOT** have the right to throw **Tenant** out of the leased premises (**SELF-HELP EVICTION**). The **Landlord** may **ONLY** **EVICT TENANT** by **COURT ACTION**.

The **Landlord** does **NOT** have the right to sue in court for eviction unless a tenant has violated the agreements in this lease. Even though each **Tenant** is waiving **NOTICE TO QUIT**, each **Tenant** will have a chance in court to challenge the **Landlord’s** claim for eviction. If **Tenant** violates the lease agreement, the **Landlord** may sue each **Tenant** in court:

1. To collect overdue rent, late charges and money damages caused by **Tenant’s** violation of the agreements in the lease.
2. To recover possession of the leased premises (eviction).
3. To collect for unpaid rent until the end of the lease or until another person takes possession of the leased premises as a new **Tenant**.

**Tenant** agrees that **Landlord** may receive reasonable attorney’s fees as part of a court judgment in a lawsuit against **Tenant** for violation of the agreements of the lease. **Tenant** agrees that **Landlord** may receive from **Tenant** fees charged by a collection agency for violation of the agreements of this lease.

**19. Other Agreements between Landlord and Tenant**

**Landlord and Tenant** agrees that the additional agreements marked with a “yes” are part of this lease agreement. Each **Tenant** must return the signed and notarized parental guaranty within 5(five) days of obtaining this lease. If all parental guaranty are not given to **Landlord** within the 5(five) days after obtaining this lease, **Landlord** has the right to consider this lease null and void and continue to show the leased premises.

## PA Bed Bug Addendum

Our goal is to maintain a high quality living environment for you. It is important that we work together to prevent the infestation of bed bugs. While the presence of bed bugs is not always related to cleanliness or housekeeping, good housekeeping will help control the problem. This addendum contains important information for you and sets forth responsibilities for both of us.

1. Addendum. This Addendum is incorporated into and made a part of your Lease Agreement (Lease). It modifies your Lease and deals with the difficulties and associated problems when bed bugs are found in an apartment.
2. About Bed Bugs. See Attached Resident's Information Guide.
3. Inspection. The Owner and Resident agree that they each inspected the apartment prior to move-in and did not observe any evidence of bed bugs or a bed bug infestation.
4. Prior Infestation. We represent that we are not aware of a current infestation or presence of bed bugs in the apartment. If there was a prior infestation, it has been professionally treated by a licensed pest control professional.

You represent that: A) you are not aware of any bed bug infestation or presence in any of your furniture, clothing, or personal property and possessions; B) you have fully disclosed to us any previous bed bug infestation which you may have experienced; and C) if you were previously living in an apartment or home that had a bed bug infestation that you had all furniture, clothing, and personal property or belongings professionally and properly cleaned and treated by a licensed pest control professional.

5. Access for Infestation and Pest Treatment. You must allow us and our pest control professional access to the apartment at reasonable times to inspect for or treat bed bugs. You and your family members, occupants, guests, and invitees must cooperate and will not interfere with inspections or treatments in accordance with this Addendum.

6. Duty to Report. **You must report any signs of bed bugs immediately and in writing.** Do not wait. Even a few bugs may rapidly multiply to create a major infestation. When an infestation is caught early, treatment is often much quicker and less disruptive than when the infestation is more advanced.

7. Cooperation & Responsibilities. Successful treatment of a bed bug infestation is dependent on your full cooperation. If we confirm the presence of bed bugs, you must cooperate and coordinate with us and our pest control professionals to treat and eliminate the bed bugs. You must follow all directions from us or our agents to clean and treat the apartment and building that are infested. Follow-up treatments or inspections may also be necessary.

You shall not treat the apartment for a bed bug infestation on your own. You acknowledge that we have the full right to select a licensed pest control professional to perform treatments and cleaning of the apartment and building. If during the term of your tenancy: A) bed bugs appear in the apartment; and B) a pest control professional determines that the bed bugs originated in your unit, you acknowledge and agree that all necessary treatments for your apartment and other units as well as all of our additional costs, expenses and losses will be at your expense.

You acknowledge and agree that if: A) you do not comply with the preparation of the apartment as required by the pest control professional or us; and B) the treatment is unsuccessful because of that, you will also be responsible for subsequent treatments to the apartment and for any treatment to adjoining units that are infested with bed bugs. If you fail to pay us for any costs you are liable for, you will be in default, and we will have the right to: A) terminate your right of occupancy; B) exercise all rights and remedies under the Lease; and C) obtain immediate possession of the apartment. If you fail to move out after your right of occupancy has been terminated, you will be liable for hold over rent under the Lease.

8. Resident's Representations and Warranties. You acknowledge and understand that you agree to follow all guidelines given to you by our licensed pest control professional.

9. Indemnification. **Under no circumstances shall the Owner and/or Owner's agents and employees be responsible to you for any losses, damages or expenses including special, consequential or punitive arising out of a bed bug infestation, inspection or treatment.** Additionally, you agree to indemnify and hold harmless the Owner, its agents and employees from any actions, claims, losses, damages, or expenses,

including, but not limited to, attorney's fees that the Owner may incur as a result of a bed bug infestation, inspection or treatment. This indemnification shall not apply if such damages, costs, losses, or expenses are directly caused by the negligence of the Owner.

10. **Default.** Failure to promptly report bed bugs, failure to comply with treatment instructions, or any other violation of any other provision of this Addendum is a material violation and breach of the conditions of your Lease. Said violation and breach constitutes: A) grounds for eviction; B) termination of occupancy, and C) subjects you to all other damages, costs legal fees and expenses as stated in the Lease and/or this Addendum.

**Severability, Waiver and Survival.** The provisions of this Addendum shall apply to the fullest extent permitted by law. The partial or complete invalidity or unenforceability of any one or more of the provisions shall not affect the validity or continuing force and effect of any other provision. The court shall interpret and construe the remaining portion of this Addendum so as to carry out the intent and effect of the parties. The failure of either party to insist, at any time, upon the performance of any of the terms, or to exercise any right herein, shall not be construed as a waiver or relinquishment of such term or right. The terms of this Addendum shall survive the termination of the lease.

## ***No Party Addendum***

**Tenant** acknowledges the **Landlord** wishes to maintain the apartment building/community as a quiet place for people to live and study. Consequently, **NO** parties are permitted in any tenant's unit, described as a gathering of more than the number of persons that equals the maximum occupancy allowed for that unit in addition to excessive noise and complaints or possession of a keg, shall also constitute a violation of this addendum.

Furthermore; if **Tenant** does violate the no party rule and the party results in vandalism, malicious mischief or damage to the unit, building, common areas or the apartment **Tenant** will be responsible for all damages that occurred during the gathering whether caused by **Tenant**, **Tenant's** family, **Tenant's** guests. Additional party restrictions are mentioned in the Rules and Regulations section of the lease. The **Tenants** or their guarantors shall pay costs to the Landlord within five (5) business days of the party violation.

## ***Move-Out Addendum***

For all departing tenants, please consider the following as a guideline for move out procedures.

- Make sure your account balance is ZERO.
- Return all keys to Legacy Realty & Property Management, LLC by the lease ending date and time. If keys are mailed please use a padded envelope to ensure the key arrives safely. Regular envelopes are not sturdy enough to travel through the USPS system. (Make sure you have a receipt for the keys)
- Turn in your security deposit return form. As per your lease agreement, you are required to submit to us a forwarding address so that we may get your deposit to you in a timely manner. Please remember that if you are in a joint & several lease; only one check will be sent made payable to all residents on the lease. If you would prefer separate checks, we may do so at an additional fee of \$10.00/per check for each check written. (Please note, if you are requesting separate checks we **must** be provided with addresses and signatures of **all** residents named on your lease. Additionally, if separate checks are requested, the amount of the return will be divided **equally** among all residents).
- Review the item cost sheet- This sheet outlines the costs that could be deducted from your Security Deposit if applicable. This sheet is intended to inform you of an **estimated** dollar amount that may be deducted from your deposit for damages and/or repairs.

### **KITCHEN**

- Spray the oven, stovetop, drip pans, broiler pan, racks, etc., with oven spray and let stand a few hours. (Depending on the degree of cleanliness, you may want to leave the cleaner on longer). Wipe off the spray entirely. If burn marks still remain, spray them again and repeat entire process. Be sure to check under the drip pans and inside, as well as outside, the stove drawer. The entire top of the stove that the drip pans rest in, lift up to make it easier to clean. You must do this to clean the oven properly. The racks also must be removed to clean the inside of the oven properly.
- The hood to the stovetop may get very greasy during the course of the year. Clean by using a Brillo pad and cleanser. Sometimes the back and side walls between the hood and the stovetop need cleaned as well.
- Wipe out crumbs from all cupboards, shelves, and drawers. Wipe off outside of cupboards. (Cupboards used daily or cupboards near the stovetop may need special attention in removing build-up)
- Clean microwave inside and out with all purpose cleaner. Make sure all food particles are removed— especially on the inside top.
- Defrost freezer and wipe out any water/food particles using an all purpose cleaner. Don't forget to clean in and around the seal! Clean refrigerator by wiping off wire racks, inside walls, crisper drawers (and under the drawer), and shelves with all purpose cleaner. Don't forget the egg holders and butter drawer! Lastly, wipe down the outside of the appliance with bleach cleaner (top, sides and front). **DO NOT UNPLUG THE REFRIGERATOR!! SIMPLY TURN IT TO THE LOWEST SETTING.**
- The final kitchen appliance left to clean is the dishwasher. (What?? You thought the dishwasher cleaned itself every time you ran it through the cycle?? NOT!) Make sure the inside is completely free of food particles. Use Brillo pads and cleanser on that area. Lastly, wipe down the outside of the appliance— paying close attention to the buttons. Don't forget the inside edge of the door.
- Wipe off all kitchen countertops with all purpose cleaner. The countertop closest to the stovetop may need special attention of a Brillo pad and cleanser. Do not leave streaks-wipe over the countertops with a paper towel and spray cleaner.
- Using a Brillo pad and abrasive cleaner, thoroughly clean sink and fixtures. After cleaning, wipe off the fixtures with a paper towel, since

water drops tend to dry leaving a dirty appearance. Don't leave streaks—simply wipe up with paper towels and glass cleaner.

- It's finally time to clean the kitchen floor! First pull out the refrigerator & remove bottom drawer of oven and sweep the entire floor. Using Brillo pads and cleanser, clean all corners and edges. This is the area where there tends to be more build-up. After this is completed, clean the entire floor using a mop/swiffer and floor cleaner. If floor dries with streaks, re-mop using only warm water.
- If kitchen has overhead light fixtures, be sure to clean the globe with warm water. Also, clean the receptacle covers and switch plates!
- Get all calcium build up off faucet fixtures with CLR and or Lime Away.

### **BATHROOM**

- The biggest cleaning job in the bathroom is the tub/shower unit. Clean it first and get it out of the way!! A year's worth of soap residue build-up is not very easy to remove. Brillo pads and cleanser are a definite must. Fiberglass tubs should be cleaned with a non-abrasive cleanser. Begin by scrubbing in a circular motion until you may no longer feel residue. Rinse with warm water. Clean fixtures with glass cleaner and wipe off with a paper towel. If your tub/shower unit has glass doors, the same process should be used on those doors—inside and out!! Don't forget to clean out the track also. Make sure to get rid of all mold/mildew.
- Cleaning the commode is not a very fun job, BUT it doesn't take too long. Using a sponge and bleach cleaner, wipe off lid, seat (behind and all around), and outside of bowl. Don't forget to clean at the foot of the bowl and around the bolts attaching it to the floor also. That is where most of the dust seems to collect. Wipe over entire unit again using only warm water. Pour toilet bowl cleaner inside the bowl and wipe clean with brush. FLUSH.
- Clean the light fixture/fan. It has accumulated dust. Wipe out inside shelves of medicine cabinet and vanity. Clean mirrors and light fixtures with glass cleaner. Wipe out sink using sponge and bleach cleanser. Rinse with warm water and re-wipe with sponge only. Again, don't let water drops dry-wipe off with paper towels. Finally wipe down outside of vanity with sponge.
- Lastly, it's time to clean the bathroom floor. First, sweep entire floor. Using a wet, soapy sponge, wipe along sides and corners. Pay close attention to areas around the commode, behind door, and along vanity edges. Mop entire floor using floor cleaner. If floor dries with streaks, re-mop using only warm water.
- Don't forget to clean off the heater and towel bars!
- Get all calcium build up off faucet fixtures with CLR and or Lime Away.
- Please do not leave your toilet wands, shower curtains, shower mats or rugs.

### **BEDROOM/LIVING ROOM**

- Clean all windows on the inside with regular glass cleaner. Also clean the patio doors on both the inside and outside, as well as the sliding door tracks. Don't forget to clean window sills and window tracks. Porches and outdoor areas should be completely free of debris.
- Closets should be completely free of debris. Wipe off shelves and bar with wet sponge and all purpose cleaner. Do NOT leave hangers behind! The new tenants have hangers of their own!
- If furniture contains any glass parts, clean with glass cleaner. Dust all wood furniture with dusting cloth and furniture polish. Wipe out all drawers with damp cloth. If furniture is anything other than wood, an all purpose cleaner may be used. Don't forget to move furniture away from the walls to check for any debris that may have fallen behind or underneath.
- Vacuum carpeting, under sofa cushions and under chair cushions.
- Thoroughly clean air conditioning/heating unit with a damp sponge and all purpose cleaner. The grill/cover should be free of dust and debris. Re-attach cover.
- If you have overhead light fixtures, be sure to clean the globe with warm water. Also, clean all receptacle covers and switch plates.
- Wipe down baseboards and baseboard heating units.
- Be sure to clean all blinds.

### **CLEANING SUGGESTIONS**

- When you are done cleaning the oven, turn it on for a few minutes. If it dries with a white residue left, take a clean wet cloth and wipe it clean.
- When you are done in the bathroom, kneel down and look at the ceramic tile by the tub to see if the soap scum is gone. Also, look at the soap dish and toothbrush holder, to make sure that the bottoms are clean. Check the bathroom in particular to make sure that all hair is gone.
- When you are finished in the kitchen, look at the tile at an angle to check for any grease spots that may have been missed. Also, don't forget to check the bottom and edges of the range hood for leftover grease.
- Don't forget the closets! These must be cleaned, swept and scrubbed.
- If you are having trouble removing particles from microwave, heat a cup of water for a few minutes and the steam from the water will help loosen food particles and dirt.
- Mr. Clean Magic Eraser is good for cleaning, walls, refrigerators, and white countertops.
- Get all calcium build up off faucet fixtures with CLR and or Lime Away.
- Make sure to get rid of all hair. Usually when we have to have a cleaning company go in for a wipe it is because there is hair left behind in the kitchen and bathroom. Despite the fact that you may have worked very hard to clean-up, we do need to have all the hair removed, specifically in these two areas.

### **GENERAL**

- Carpets must be **clean upon move out**. Remove all stains and ground in dirt (Make sure you vacuum first!) **If you do not clean the carpets, we will have the carpets cleaned and charge you for it. This must be done prior to lease expiration.**
- Blinds must be taken down and washed with soap and water, dried and re-hung. Please make certain soap streaks are gone. We suggest if the blinds are too dirty to be cleaned or damaged replacing them with new ones. This may sometimes be cheaper than having them professionally cleaned. You may purchase blinds at Lowes, Home Depot, Target, Walmart, etc. If you plan on replacing blinds please make sure you take measurements ahead of time. If the blinds are not cleaned, we will replace them due to the fact that it is cheaper than paying a cleaning company to clean them.
- All personal items must be removed from unit.
- All nails, picture hooks, and anything used to hang pictures/posters should be removed from the walls or ceiling. Dust cobwebs from corners. Clean ceiling light fixture covers or globes.
- If maintenance is needed anywhere in the apartment, report it to Legacy Realty & Property Management, LLC NOW and have it repaired prior to July 1st.
- Smoke detectors must have an operating battery, all light fixtures and lamps must have working bulbs, and fire extinguishers must be charged.
- Don't forget to clean your furniture inside and out if you have a furnished apartment.

**OTHER DEDUCTIONS**

In addition to any cleaning charges, the following items will be deducted from security deposits if they are not paid before the end of your lease : Late fees, Outstanding Invoices, Unpaid/Utilities, Charges for Returned Checks, additional damage to unit or furniture and carpet cleaning (if receipt is not turned in).

**MOVE OUT PROCEDURES REMINDERS**

- All light bulbs must be in lamps, sockets, etc. And be in working order. All smoke detectors must have batteries and be in working order. Fire extinguisher must be in working order and fully charged. If any of these items are missing or do not work properly, your security deposit will be assessed accordingly.

\*\*\*\*\*

We would love to return a full Security Deposit to each and every one of you! We invite any of you to be present during the inspection of your unit. You must be prepared, to turn over ALL keys at that time, and entry back into the unit will not be permitted. However, this must happen prior to the lease expiration date & is on a first come first serve basis, so schedule far in advance. Also, if we point out something that is not satisfactory, do not ask us to wait while you clean it again. Our schedules at that time of the year do not permit it.

All lease dates end promptly at 12 NOON. We have enjoyed your residency in our community and we wish you well in your new home!

- **Medium/Heavy** – you didn’t even try to clean, visible food and debris on floors, counters
